

§ 106-314. Manufacture and use of serum and virus restricted.

It shall be unlawful for any person, firm, or corporation to distribute, sell, or use in the State anti-hog-cholera serum unless said anti-hog-cholera serum is produced at the serum plant of the State Department of Agriculture and Consumer Services, or produced in a plant which is licensed by the Biological Products Licensing Section, Animal Inspection and Quarantine Division, Agricultural Research Service of the United States Department of Agriculture, allowing said plant to do an interstate business.

It shall be unlawful for any person, firm, or corporation to distribute, sell, or use in the State of North Carolina, virulent blood from hog-cholera-infected hogs, or virus, unless said virulent blood, or virus, is produced at the serum plant of the State Department of Agriculture and Consumer Services or produced in a plant which is licensed by the Biological Products Licensing Section, Animal Inspection and Quarantine Division, Agricultural Research Service of the United States Department of Agriculture, allowing said plant to do an interstate business. No virulent blood from hog-cholera-infected hogs, or virus, shall be distributed, sold or used in the State unless and until permission has been given in writing by the State Veterinarian for such distribution, sale or use. Said permission to be cancelled by the State Veterinarian when necessary.

Any person, firm, or corporation guilty of violating the provisions of this section or failing or refusing to comply with the requirements thereof shall be guilty of a Class 1 misdemeanor.
